Antioch, Wauconda, Conference Leaders, Clash Friday Night

Sequoits Beat Grayslake 68-37, Grant 61-47; Jayvees Also Victorious

Two top teams of the Northwest Conference will battle for supremacy in basketball tomorrow evening when the Wauconda Bulldogs meet the Antioch Sequoits here.

Neither team has been defeated this year in conference play and have two victories to their credit. Antioch appears the more imposing with a total of 129 points and allowing their opponents 64, while Wauconda has scored but 121 points and allowed their opponents 102 points.

Antioch had no great trouble in beating Grant High here Tuesday evening 61 to 47. The Bulldogs were weakened through injuries and are expected to put up a better game during the second round of play.

Mike Haviland was high point man for Antioch with 8 field goals and one foul for a total of 17 points. His defense work was outstanding. Ben Floyd, second high for Antioch with 14 points was good on the rebound.

Coach Richard Scott credited Jack Palmer with good defensive work and floor playing and Fred Clarke with a hustling tempo of play under the basket. Butch Brownlee was good on defense and set shooting.

Bein Strong for Grant
For Grant, Bob Bein was the whole offense with 20 points, eight field goals and four fouls.

The score by quarters was Antioch 16-8, 19-14, 17-14, and 9-11.

The preliminary game the Junior Varsity won from Grant 44 to 22. The half-time score was 31-7 in Antioch's favor.

Jerry Huml and Harry Evans divided honors for Antioch with 12 (continued on page 12)

Band, Glee Clubs, Choir To Perform at Concert Dec. 19 at High School

One hundred fifty Antioch Township High School students are busy with concentrated planning and practice for the annual Christmas concert. Admission to the concert on Sunday afternoon, Dec. 19, at 4 p. m. is free. The program is the high school's "Christmas gift to the community."

Louis Chenette, music director, states that the students are working hard to make this an outstanding performance. Committee members are planning a program and reception which will do much to inspire the Christmas spirit.

The concert will open with carol singing by the audience. This will be led by Thalia Rush, well known director of the Lake Villa Grade school band. Singing and playing by the choruses and bands will interpret both the secular and sacred aspects of the Christmas season.

Scheduled to appear as soloist is Ed Ring who will sing "O Holy Night" by Adams. A boy quartet will harmonize on "Deck the Hall with Boughs of Holly." Members of this group are Donald Wertz, Jerry Burnett, Ted Portalski, and Donald Cardiff.

One of the outstanding program numbers will be Fred Waring's "Twas the Night Before Christmas" sung by the capella choir. Santa Claus will enter to the tune of "Santa Claus Is Coming to Town" sung by the girls glee club. Climax of the program is Handel's magnificent "Hallelujah Chorus" from the "Messiah." Accompanists are Jacklyn Martin and Maureen O'Haver. The public is cordially invited to the concert and to the reception which will follow.

Fire Damaged Cottage Of River Grove Chief At Channel L. Sunday

Fire damage estimated at \$2,000 was done to the \$12,000 cottage of Mr. and Mrs. Henry J. Schmidt, Woodbine ave., Channel Lake, Sunday evening.

The fire started from a defective flue of an open fireplace and burned through a partition into a room where clothing was kept before it was brought under control by the Antioch fire department.

The Schmidts who have their winter home in River Grove, Ill., had spent the week end at the cottage and had left for their home when the fire was discovered by Mr. Schmidt's brother-in-law and his father next door.

Schmidt, owner of the cottage is the fire chief at River Grove.

TIME TO MEASURE UP

President's Safe Driving Day To Be Held Over Nation Next Wednesday

Springfield—Full support of "Safe Driving Day" has been pledged by Vernon L. Nickell, State Superintendent of Public Instruction, who hailed "S-D Day" as "a real opportunity to re-dedicate our schools to safety training."

"S-D Day" is Wednesday, Dec. 15. It is sponsored by the President's Action Committee for Traffic Safety in cooperation with all public officials and national organizations as a demonstration that traffic accidents can be eliminated if people in every community are willing to make the effort.

Nickell said, "Our school bus drivers have an enviable safety record and last school year not a single fatal accident involving a school bus was reported."

"Most of our schools have had safety patrons for years," Nickell said, "and many of our teachers devote time to the traffic safety problem by teaching children safe practices for walking and riding bicycles."

Nickell pointed out that behind-the-wheel driver training that teaches our young people to operate cars safely and courteously is on the increase in Illinois high schools.

"During the last school year forty additional Illinois high schools have added such programs to their curriculum bringing the total number of schools offering the course to 277."

"I commend 'S-D Day' to all school districts in Illinois and urge them to support it with appropriate educational activities. The values of well planned activities in the schools will extend far beyond the 24 hours of 'S-D Day,' and will help our state conserve its richest resources—our children and youth."

Talk of Uniting County Business Men to Fight Waukegan Free Buses

The Antioch Chamber of Commerce has received a proposal from the Round Lake Area Chamber of Commerce that business men's organizations of the western part of Lake County unite in forming an organization to promote mutual interests.

The action of the Round Lake Chamber resulted from the procedure of some Waukegan business men in running free buses from Antioch, Fox Lake and Mundelein in carrying trade to their city.

Strong protests have been made by merchants who charge the Waukegan business men in being un-sportsmanlike in siphoning trade at the busy time of the season. There have been instances of retaliation. No date has been set for the meeting as yet, it is said.

Hunter's Body Not Found

The body of Eric Faust, Winnetka hunter, who is believed drowned in Deep Lake has not been recovered although his boat a kayak was found overturned. Persons along the lake said they heard cries for help but thought it was children playing. Because of the temperature of the water it is not thought the body will rise for a long time.

Village Employees Get Bonus

The village board at its meeting Tuesday evening voted a \$100 net bonus to four of the village police and street employees. This has been the custom for many years.

Harold Cardiff Heads Antioch Lions Club; Installation Jan. 10

Harold Cardiff was elected president of the Antioch Lions Club at the regular meeting at Smart's Country House Monday evening.

His staff of officers comprise Rudy Eckert, first vice president; Tony Scully, second vice president; Norman Jedele, third vice president; Elmer Baethke, secretary; Robert Lindblad, treasurer; Morris Pickus, Lion tamer; Dr. James Kopriva, tail twister.

A. L. Dittman and Dr. G. W. Jensen were elected directors for two-year term.

Installation will take place on Jan. 10. The Lions were addressed by M. M. Schnurr, principal of the Union Free High School at Wilmet, who declared that while the public is asleep, juvenile delinquency, resulting largely from parental and home problems and creeping inroads of the welfare type of state are taking place.

Holiday Atmosphere Pervades Antioch as Xmas Rush Starts

The tempo of Christmas buying stepped up considerably this week in Antioch and merchants are expecting a good business. More and more, Antioch's reputation as a good place to shop is becoming known in ever widening circles.

Stores will be open nights starting next Monday through Thursday, Dec. 23. They will close at 6 p. m. on Christmas eve.

Postmaster Roy Kufalk said that the Christmas rush has started at the postoffice, and people are making sure that their packages arrive at distant points on time by mailing early.

Antioch's Christmas greeting lights are up, and the store windows appear most attractive.

In the schools there is the usual excitement at the approach of Christmas among the children of the primary grades and, for that matter among older children and teachers. Programs are being prepared.

Church groups also are planning Christmas programs, and the holiday spirit prevails in all group meetings.

Mrs. Elva Davis, Former Resident of Antioch Dies

Mrs. Elva L. Davis, 66, of 195 Seymour ave., Grayslake, died last Saturday afternoon in St. Theresa hospital, Waukegan, after a five-week illness.

Born in Antioch, Mrs. Davis had lived in Grayslake for six years and was a member of the United Protestant church. Her husband, Frank, died two years ago and a son, Robert, some time ago.

Mrs. Davis leaves three sons, John, Mundelein; Donald, Janesville, Wis., and Alfred, Libertyville, two daughters, Mrs. Ward Eisenhut, Los Angeles, Calif., and Mrs. Edward Doll, Elmhurst; a sister, Mrs. Effie Nelson, Antioch; eight grandchildren and six great grandchildren.

Funeral services were held at 2 p. m. Tuesday at the United Protestant church, Grayslake, with burial in Wauconda cemetery.

Mrs. Wanda Oftedahl had as guests last week her sister and husband, Mr. and Mrs. Elvin Nordaune of Montevideo, Minn.

242 Lot Plat as Third Section of Oakwood Knolls Sub. Accepted

Village Board Notes No Area Provided for Future School Site

A plat of 242 lots as the third section of Oakwood Knolls subdivision in the north edge of the village was approved by the village board Tuesday evening. An exception was made to the roadways, however, which will not be taken over by the village until they meet requirements.

The attention of the board was directed during the procedure that the entire subdivision which in time may have more than 500 houses, makes no provision for a site for a public school building.

The Antioch Consolidated School district made no request for a gift of land for this purpose as is being done elsewhere. The village board was informed by the owner of the subdivision, Mark Horwitz, Chicago, that he will provide a school site to the district at cost. The improvements made in the subdivision almost make the purchase prohibitive to the school district.

Mayor James McMillen suggested that it would be more profitable for the school to purchase unimproved land in a more accessible location.

Should the Oakwood Knolls subdivision grow rapidly as it may do next year, the present grade school building may become overcrowded. In that event, County Supt. W. C. Petty of Antioch has advised that a neighborhood school be built. The present school building has reached its maximum point of efficiency and should not be added to further.

Supt. Richard Whitacre said he would direct attention to the board that within another two years more school space may be needed. He said the board had centered its attention during the past year on the new addition and has had no time to consider future problems.

The Lake Villa School district, through its president, B. J. Hooper, announced yesterday that it had received as a gift from the Engle and Sons, Inc., real estate corporation, 10 acres of land near the intersection of Grand ave. and Bonner rd. in the new Lindenhurst estates as the site of a future neighborhood school.

The present building at the intersection of Grand ave. and Rte. 21 has all the additions it can stand, and the next move is for neighborhood schools. The Fox Hills Estates will provide land for a neighborhood school to the Lake Villa district.

While the Oakwood Knolls plat was under consideration, Mayor McMillen told the board he had received a complaint from W. H. Curness whose property south of State Line rd., is south of the Oakwood Knolls Real Estate Co., saying that the real estate firm by digging a trench is unloading larger amounts of water than he is prepared to take care of in his low lands.

The trustees checked the records and found that the village has not yet included that territory in the village onto which the real estate firm is draining water from its main subdivision across the highway, therefore the village has no interest in the matter.

Funeral Service for Mildred E. Wagner Held This Afternoon

Mrs. Mildred E. Wagner, 41, wife of George Wagner, owner and operator of the Antioch Milling Company, died at 12:15 a. m. December 7 at Victory Memorial hospital, following a lingering illness. She was born October 2, 1913 in Chicago, moving to Antioch in 1919. She was a member of the Antioch Woman's club.

Survivors are her husband, George, a daughter Joan and her mother, Mrs. Anna Robinson of Chicago. Funeral services were held at 1:30 today (Thursday) at the Strang funeral home. The Rev. Edmond Hood officiated. Interment was in Hillside cemetery.

Central Community Club Plans Christmas Party

The Central High School Community club at Salem is sponsoring a family night Christmas party, Dec. 15 starting at 8:15. Each person will bring a 10-cent gift to exchange. The high school mixed chorus will entertain and free refreshments will be served.

Latest Toll Road Plan Shows Outlet Point At Route 173

Free Bus Day Changed

The Antioch Chamber of Commerce Free Bus service which has been operating on Wednesdays for the past several months, will run on the same hourly schedule but will be changed to provide the free transportation on Tuesdays instead of Wednesdays, according to information furnished by the committee.

The free bus service has been very well received by persons living out of town and not served by regular transportation. It has carried more than 2,000 passengers to date.

First date for the Tuesday service will be December 14th.

First Snow Machine West of New York is Used for Wilmet Slide

The first snow machine ever to operate west of New York has been installed at Wilmet Hills, northwest of Antioch. It permits skiing, regardless of the lack of natural snow week ends, Wednesdays and Saturday nights under flood lights.

Long the favorite Mecca of local ski enthusiasts, Wilmet Hills ski slopes straddle the Illinois-Wisconsin state line. In fact, skiers shooting down the Stateline Trail cross from Illinois to Wisconsin and back nine times in one breathless descent. Five modern rope tows furnish uphill transportation to the top of all important slopes.

The snow machine has started the process of covering a vast area with real snow, not crushed ice as commonly used in ski jumping exhibitions.

To create this skiers' "dream-come-true," the snow machine forces air and water under tremendous pressures through special piping systems, expansion chambers and distribution heads located in rows across the steep ski slopes. Compressed air, when released at special nozzles, creates extremely low temperatures producing snow crystals from water which has been atomized by specially designed jets. These jets consume water in the fantastic volume of 175 gallons per minute.

Artificial Snow Blizzards

The result of this operation is a veritable blizzard over the ski area. In 24 hours, starting with bare ground the main slopes will be covered with deep snow. In some ways this man made snow is superior to the old fashioned stuff that has been a blessing to skiers and a doubtful pleasure to stalled motorists and snow shoveling suburbanites. By proper manipulation of valves the consistency can be varied from wet to dry, large to small crystals. By injecting dyes into the system, colored snow can be laid down—blue, pink, lavender, etc., and the addition of ammonium chloride produces a snow which does not melt until the temperature rises considerably above 32 degrees.

To make the best use of this new, abundant source of snow a flood-lighting system has been installed, and skiers now can ski several nights a week at Wilmet Hills.

While "Wilmet Hills" has long been known as one of the oldest and largest ski areas in the Midwest it has recently acquired new fame as the site of the first road race course specially designed for racing foreign and domestic sport cars.

Mrs. Elizabeth Hawkins Dies After Long Illness

Mrs. Elizabeth Hawkins, 73, 965 Spafford street, died Tuesday at 2:10 p. m. at Victory Memorial hospital following a lingering illness.

Mrs. Hawkins was born April 2, 1881, at Norristown, Ill. In 1912 she moved to Zion, then to Waukegan, afterward moving to Antioch, in 1921. She was a member of St. Peter's church.

Survivors are one daughter, Mrs. Dorothy Shultz, a son Xavier Schimmel both of Antioch, two sisters Mrs. Margaret McCabe of Norristown and Mrs. Ella Anderson of Phoenix, Ariz., a brother Martin Cox of Harrisburg, Pa., and two grandchildren. Her husband, Eugene O. Hawkins preceded her in death May 29, 1953.

Funeral services will be held at 10 a. m. Friday at St. Peter's church. Interment will be in Mt. Carmel cemetery.

Friends may call at the Strang funeral home after 1 p. m. today (Thursday).

Interchange Point Moved From Grand To 173 In New Plan

Murphy Reports Scheduled Improvements in Lake County Roads

Ready access to the new toll road from Antioch will be provided by an interchange point at or near route 173, according to Representative Wm. Murphy, who gave a report on the Lake County road building program at a meeting of the Antioch-Lake Villa Republican Men's club last night. Murphy reported that he had been in conference with Governor Stratton earlier this week and that the latest plans for the toll road show an outlet on route 173. He also added that plans are in a high state of flux and that the plan which shows the outlet at 173 shows none near Waukegan, and that strong protests from that source were expected.

Greatest source of opposition to the proposed road, he said, would come from farmers whose land would be intersected by the road. He explained that in some cases large farms would be cut in two parts and that it would be impossible to provide underpasses for all of them. This would raise the question of a farmer being obliged to travel a mile or more to get to an underpass to get to a part of his farm. Present plans for the road show it passing through the east part of the James Simpson farm, and along Hunt road.

Other news concerning roads given the meeting included a promise from the governor that both route 83-21 and route 45 will be improved during 1955. Present plans for these roads, Murphy said, call for widening both to four-lane to the Wisconsin line. Under consideration is a plan to re-route 21-83 east of Deep Lake and also east of Antioch. In summing up, Murphy said that if the present plans can be carried out the Lake Region will have four four-lane highways going south—21-83, rte. 45, the toll road and route 41.

Also in state plans for road improvement in Lake county is widening of route 12 from Volo to Fox Lake. The road will be continue as a four lane highway to the south limits of Fox Lake where the parkway in the center will be narrowed and in Fox Lake village will be eliminated entirely.

The state intends to spend \$123 million on highway improvements in Illinois exclusive of the toll road projects.

New Chamber Officers Installed At Meeting On Wednesday Evening

About seventy members and guests of the Antioch Chamber of Commerce, attended a meeting and installation of officers at Smart's Country House on Wednesday evening. Entertainment for the meeting was provided by Vincent Gottschalk of radio and TV fame.

The Chamber will be headed for the coming year by George Borovicka, and the slate of officers installed includes Bruno Manzardo, vice president; O. I. Onstad, secretary; Harold Nelson, treasurer. New directors are Jos Patrovsky, Jr.; Russell Barnstable, Lee Hinterlong, and Wm. Labal.

Officers being replaced were Art Meyer, president; Harold Nelson, vice president; Onstad was re-elected; and Marion Pechousek, treasurer. Outgoing directors are Bruno Manzardo, Russell Barnstable, Dean Williams, and Ted Larson.

Order Lights for Park To Save Little League

The village board has asked the Public Service Co. to set a pole and run an electric line to the refreshment stand at the Little League baseball field in Williams Park.

A group of parents are working industriously in building dugouts, press boxes, fences with signs, and the diamond in readiness for the summer baseball season, and when the season starts the women will be there ready to sell hot dogs, soft drinks, etc. to finance the league.

Mayor James McMillen said that it appears that Antioch will have as fine a Little League diamond as any place in Lake county.

Skinnering a Cat

Railroads are a shining example of the results of research, determination to meet competition, and the courage to back judgment with private, tax-paying capital. The nation has a great stake in their continuing success.

There is an old saying that there is more than one way of skinning a cat, but skinning it one way would stump most people. Railroads haven't had to skin a cat but they have had to figure out ways to meet increased competition, much of it subsidized by government.

To meet tough highway competition, rail-trailer service is being tried or has become a fact in many parts of the country. More and more railroads are trying this innovation, the Union Pacific being one of the latest with such a service between specified points in Washington, Oregon, Idaho and Utah. In operation, the trailers are loaded at the shipper's dock and then instead of being hauled over the highway, they are loaded onto railroad flat cars and travel by train to destination. There truck-trailers take them to the receiver's door. Trains carrying the rail-trailers operate on passenger train speeds and schedules.

As this method of shipment extends over the country it should aid materially in relieving congestion on the highways. Most of our highways are not adequate for the type of heavy hauling that can be handled as a matter of routine by the railroads.

The Truth About Unemployment

The argument that we must have virtually unbridled government spending in order to keep the economy going and to maintain employment simply doesn't jibe with the facts.

According to the New York Times, unemployment at the end of October amounted to 4.2 per cent of the civilian labor force. This marked a substantial decline from the February-March percentage. Yet, the paper says, the "reduction in the number of unemployed" has been achieved in the face of a cutback in Government spending in the same period equal to an annual rate of \$13,000,000,000. It has been achieved, moreover, without any depreciation in the purchasing power of the dollar.

The Times points to a still more striking fact. Save for 1947 and 1948, both years of violent inflation, "there is not a single peacetime year . . . in the entire span of 1933-52 which shows an annual rate of unemployment as low as that prevailing at the present time."

Economical government is in the interest of labor as well as everyone else.

Freedom of Choice

A New York bank recently ran an unusual kind of magazine advertisement. The text paid high tribute to another enterprise, retailing, and said nothing

at all about banking.

Here are some excerpts from it: "Today's popular retail merchant, with an alert eye to competition, applies experience, judgment and imagination to the selection and development of more and more quality merchandise. He presents it in attractive displays and timely promotions. He watches trends in taste. He studies changing patterns in living. . . .

"With an unlimited variety of goods from many lands placed before them, thanks to the individual initiative of our nation's retailers, the American people enjoy a freedom of choice unmatched throughout the world."

To every retailer, as to the manufacturers and others who supply him, the desires and demands of consumers are the all-important factors of business life. This is true in a huge city such as New York—and it is true in thousands of middle-sized and small communities in every section of the land.

What About the Goslings?

Washington Report, which is published by the Chamber of Commerce of the United States, has raised an exceedingly interesting question.

There is talk that the AFL, the CIO and some big independent unions may merge. In a recent speech, the president of a major steelworkers' union stated that individual unions should have the right to decide for themselves whether to join or not join such a federation.

Washington Report agreed, on the basis that membership in any organization should be voluntary. But then it said: "What now becomes of organized labor's efforts to force individual workers to join a union in order to hold their jobs?"

"Evidently what's sauce for the gander is not sauce for the goslings."

The Low Down From Hickory Grove

Today I come forward with 2 pats on the back for 2 forward looking gentlemen—a democrat and a republican—old favorites of mine—one from the South, one from the North. Newly elected U. S. Senator Thurmond from the sandy ridges and rice fields of South Carolina, the Palmetto State—ranks high in my big list of down south stalwarts and real people. This South Carolinian made himself a U. S. A. record by getting elected on a write-in ballot. His thinking is right up my alley on the rights of the states to look after their own people and with little outside pestering by Uncle Samuel. A gentleman and a scholar, I calls this new Senator with his plenty of vertebrae and ability to talk for the preservation of a rugged America.

Now comes my northern All-American—Ezra Benson from Utah—the gentleman who has his mind made up as to what is right and best and puts politics in second place of importance in his job of running the cabinet post of "Farming." All the theories and guesses on parity take a back seat with this Mormon gentleman. He knows agriculture backward and forwards. They say he don't know politics—won't listen to the rabble. That to me is good politics versus bad politics. In states where this man campaigned hardest the voters were on his side. That is proof of the pudding.

As to the election in general—a few fuzzies made the grade. They will talk a lot—but won't say much. But Benson and Thurmond—they don't come any better.

Yours with the low down,
JO SERRA

COUNTY ZONING NOTICE STATE OF ILLINOIS) COUNTY OF LAKE) ss.

TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on December 30, 1954, at the hour of 1:30 P. M., in the Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the R-4 Residential District, to the B-2 Business District, the following described real estate, to-wit:

Lots 13 and 14 in Block 1 in Smith's Second Subdivision of part of the South East quarter of the South East quarter of Section 11, Twp. 46 N., R. 9, East of the 3rd P. M., according to the plat thereof recorded April 9, 1914, as Doc. 152537, in Book "I" of Plats, page 91, in Lake County, Illinois.

As a result of the petition of THEODORE W. SCHMITZ AND LILLIAN SCHMITZ, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard. LAKE COUNTY ZONING BOARD OF APPEALS

RECENT RESEARCH: Recent home interviews show more Chicagoland women want a dryer than any other work saver

She goes through this
every washday—

WHY?

AN ELECTRIC DRYER TAKES THE WORK OUT OF WASHDAY

...yet costs only \$1.93 a week to own.

Dial clothes dry the way you wash them—inside, in minutes, electrically!

Maybe your wife has a good washing machine. But it won't lift water-heavy wash or hang it on the line.

Why must she work so hard every washday? An automatic electric dryer is easy to own. Why put it off?

Look, an electric dryer is only a step from the washer. And, nothing touches your clothes but clean, fresh, electrically heated air. (Fastest and cleanest for drying clothes.)

Clothes are easier to iron when perfectly conditioned for it in an automatic electric dryer. Many things come out ready to fold and put away—smelling sweet as all outdoors.

What about it? For only a few dollars down and \$1.93 a week you can own a modern automatic electric dryer. See the latest models at your nearby appliance dealer's or our store. Today would be fine.

PUBLIC SERVICE COMPANY

HICKORY

Mrs. Joe Sheehan and her four sisters, Miss Esther Weber, Mrs. Leonard Grasty and Mrs. Don Birchfield from Waukegan, also Mrs. Frank Stazes of Lake Villa spent Wednesday in town town Chicago.

Mrs. Curtis Wells accompanied Mr. and Mrs. Andrew Magiera and sons to Melrose Park Sunday afternoon where they visited Mrs. Mollie Robertshaw and Mr. and Mrs. Wm. Parsons and family.

Mr. and Mrs. Emmet King went to Chicago Saturday afternoon where they joined the Farm Bureau tour, leaving for Miami, Fla., and then later on to the convention at New York City Dec. 14, 15, and 16.

Sunday dinner guests at the Oscar Finkel home were Mr. and Mrs. Lawrence Dean and family, also Mrs. Sarah Finkel, all from Chicago.

Mr. and Mrs. William Richards, son Billy and daughter Karen were Sunday dinner guests at the home of Mr. and Mrs. John Rausch at Wilmet.

Mr. and Mrs. Leonard Micheles and daughters from Bassett, Wis., were Sunday afternoon callers at the Gordon Wells home.

Mr. and Mrs. Alfred Dettmering spent the week end with relatives at East Troy, Wis., and attended a wedding.

Mrs. Eva Alling of Waukegan was a Sunday afternoon caller at the Bert Edwards home.

Tuberculosis Cost Great—To Nation And to Taxpayers

NEW YORK—To the taxpayer, tuberculosis means \$600,000,000 a year. That figure represents the cost of finding the cause of tuberculosis, of caring for the tuberculosis patients, of public health nursing for the tuberculous, of health education, rehabilitation, medical research, pensions to veterans with tuberculosis, and assistance to families whose wage earner or homemaker has tuberculosis.

These expenditures are largely from public funds, but also include expenditures of private, voluntary agencies engaged in the fight against tuberculosis. They do not include the cost of hospital construction or the cost of training professional personnel to care for the sick.

To the nation, too, tuberculosis means the loss of 1,000,000 working years each year.

The objective of the National Tuberculosis Association and its 3,000 affiliated associations (located in the U. S., Alaska, Canal Zone, Guam, Hawaii and Puerto Rico) is to prevent tuberculosis. With funds raised from the annual sale of Christmas Seals, the tuberculosis associations are trying to make it as difficult as possible for people to "catch" tuberculosis.

One difficulty is that many people with active tuberculosis do not know they are ill and may be spreading the disease without even being aware of their own illness.

Approximately 400,000 persons in this country are estimated to have tuberculosis but only 250,000 are known to health authorities.

New Dental Drill Truly 'Painless'

NEW YORK—The old gag about the so-called "painless dentist" is no longer a gag for millions of Americans, thanks to a new precision dental drill.

The new ultrasonic drill does not cut or drill in the usual sense of the word, but removes the solid matter with microscopic precision—drilling by sound wave.

The absence of pain is probably explained by the fact that the drill never gets hot when it is drilling the patient's teeth. Much of the pain caused by standard rotating dental drills is caused by heat from friction.

The new dental drill has a metal head that moves up and down delivering more than 20,000 blows each second. The blows are only 1/1000 of an inch in depth and the tremendous speed of the blows and relatively light touch of the drill is responsible for the painlessness of the operation.

Radioactive Pills Among Future Atomic Wonders

NEW YORK—Doctors of the future will carry radioactive pills in their little black bags to treat a variety of diseases.

Such is the prediction made by Dr. Willard F. Libby, recently appointed to the Atomic Energy Commission.

The study of radioactive materials has occupied most of the professional life of Dr. Libby, who invented the "atomic time clock" radioactive dating method. Among the first things Dr. Libby dated by the new technique was wood from Egyptian tombs. He has dated hundreds of samples, ranging from human hair to skin, lotus seeds and Biblical scrolls.

Peacetime applications of atomic energy will repay us for some of our worries, says Dr. Libby, who also predicts new methods for improving plastics by irradiation, harnessing of the atom for electrical power, and control of normal day-to-day operations of industrial plants by applications of radiochemistry.

Case of Smuggled Whiskey Is Costly

SAN FRANCISCO — A case of tax-free whiskey Herbert L. Engstrom tried to smuggle in from a foreign country cost much more than the local product.

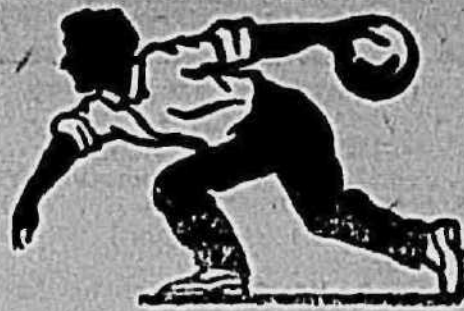

Engstrom, 55, marine engineer on a freighter, paid \$22 for a case of whiskey in a foreign port and tried to bring it into the U. S.

A federal Court assessed the following levies after he was caught: \$16.38 tax on the whiskey, \$16.38 penalties, \$50 fine; \$104.00 fine for the ship's captain for permitting him to bring the whiskey ashore, \$300 for the return of Engstrom's confiscated automobile. Total cost: \$501.16, plus lawyer's fees.

No Star Gazing

WEST DES MOINES, Iowa—The ceiling in the new West Des Moines Methodist Church is made of standard acoustical board, but the holes aren't in a straight line—they're scattered.

Explains The Rev. H. Henry Teele: The committee chose the kind with the holes scattered across it. Now nobody who happens to glance up when he's in church will begin to count the lines of perforations and forget to listen to my sermon."

Bowling

Ladies' Friday Nite Handicap

DECEMBER 13, 1954

8:00 P. M.

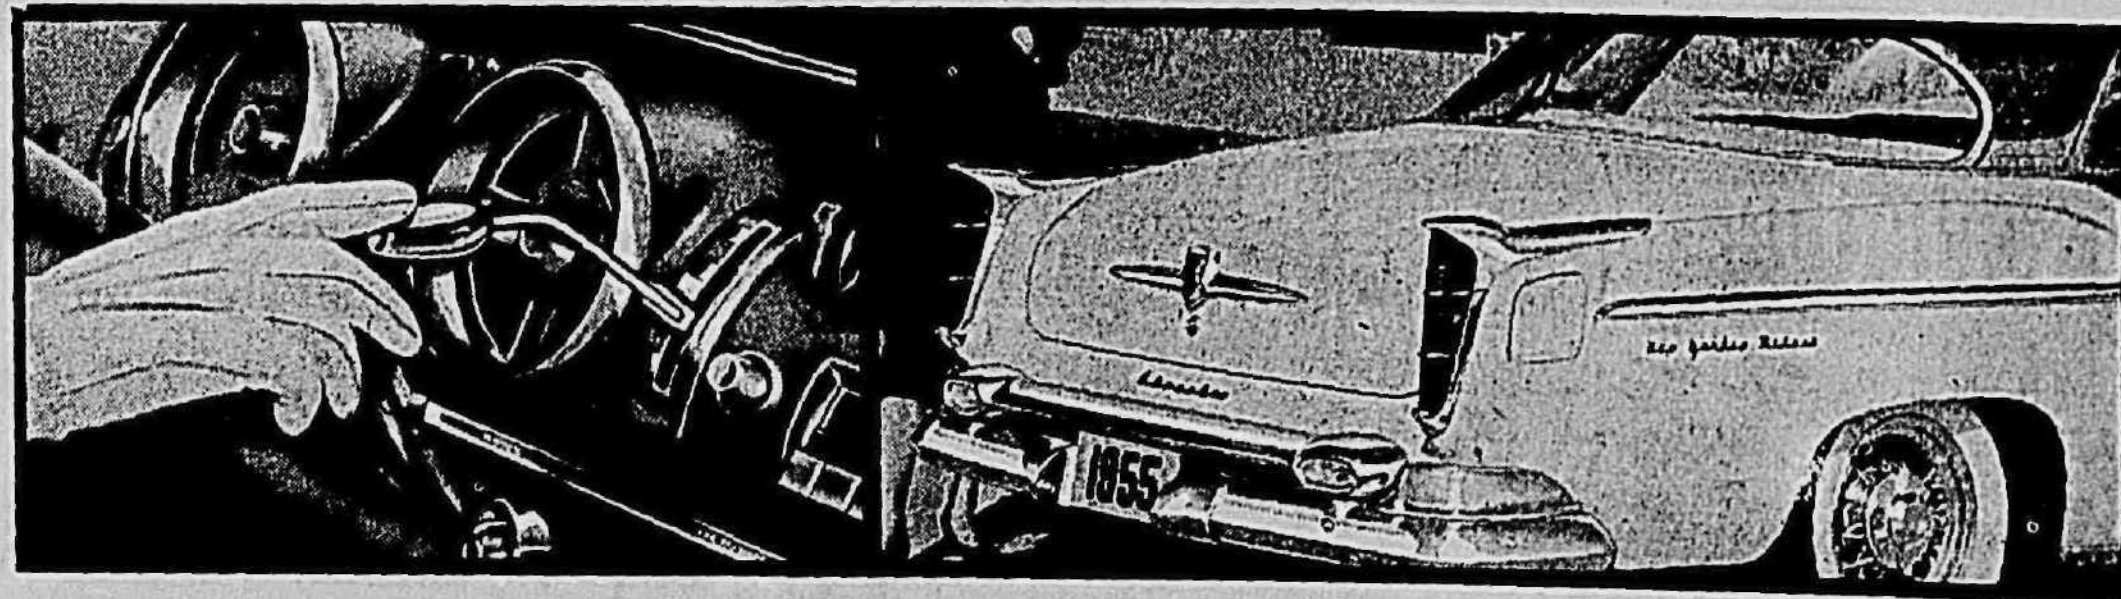

1955 CHRYSLER WINDSOR DELUXE HARBOR

CHRYSLER'S 100-MILLION-DOLLAR LOOK! ... overnight it's a famous new fashion!

"TAILORED STEEL" is the fashion experts' term for Chrysler's exciting new styling! Sweeping design change for 1955 features noticeably lower, longer lines and... unmistakably Chrysler... the new swept-back Super-Scenic Windshield that "wraps around" both top and bottom for greater (and safer) vision! New V-8 engines now power all

Chryslers: up to 250 hp in the New Yorker Deluxe, and 188 hp in the Windsor Deluxe series. Other Chrysler exclusives include the most automatic of all transmissions, Full-time Power Steering, and double-width pedal Power Brakes. Your Chrysler-Plymouth dealer invites you to see and drive America's newest and most smartly different car!

WIDELY HAILED is Chrysler's new PowerFlite Range-Selector... on the dash! Permitting more instant control of gear-range selection, it heightens the pleasing "cockpit" effect of Chrysler's new front compartment styling.

TOTALLY NEW throughout, the 1955 Chrysler is easy to identify from any angle. New-styled "tumblehome" (or slope-in of the sides) emphasizes Chrysler's road-hugging look. Unmistakably Chrysler is the classic simplicity of rear deck... longer and broader. Dominant Twin-Tower tail lights set a new trend in rear-end design.

MILLBURN

Regular services at Millburn Congregational church Sunday, Dec. 12 with Sunday school at 9:45 and worship services at 11 o'clock when Rev. L. H. Messersmith's sermon topic will be "On Solid Ground."

There was a good attendance at the annual meeting of the Ladies Aid society Thursday, Dec. 2. Officers for 1955 are: Frank Edwards, president; Mrs. Ida Truax, vice president; Mrs. Carl Anderson, second vice president; Mrs. Verlon Groves, secretary; and Mrs. Paul Erickson, treasurer. Following pot-luck luncheon at noon, all joined in a Christmas program prepared by Mrs. John Haisma. Money and gifts were brought for Onward House and Bethlehem Center in Chicago.

The Officers club of Millburn O. E. S. enjoyed a pot luck supper and Christmas party at the Masonic hall Sunday evening.

Friends of John Clark, son of Mr. and Mrs. Harley Clark will be interested in getting his new address. Pvt. John L. Clark, U. S. 55436375, Service Det. 99th Bn., 74th Inf., R. C. T., APO 81, New York, N. Y.

Rev. and Mrs. L. H. Messersmith, Chloe Dietrich and Norma Welch attended the annual meeting and dinner of the Congregational Union held in the Palmer House, Chicago, Friday evening.

Mr. and Mrs. Jacob Kalut and Mr. and Mrs. Frank Edwards were callers at the homes of Miss Marian Edwards and the John Edwards family Sunday afternoon.

Mrs. Howard Petty and daughters Joanne and Julie of Urbana spent the week end with her parents, Mr. and Mrs. Leslie Bonner.

Mr. and Mrs. Orville Hairrell, Jr., and family of Waukegan were Sunday supper guests at the Frank Hauser home.

Mr. and Mrs. Don Lee Holm of Waukegan were Sunday dinner guests at the Donald Holm home.

Mr. and Mrs. F. C. Semrow and Miss Agnes Wincell of Elm Grove, Wis., were Sunday dinner guests at the home of Mr. and Mrs. W. C. Upton.

Gordon, Jr., and Everett Wells of Hickory were callers at the Savage-Smith home Monday evening.

Mr. and Mrs. Eric Anderson and Rebecca attended a recital of accordion music presented by pupils of the Steini Music Center held in the Lithuanian Auditorium in Waukegan Sunday afternoon. Rebecca took part in band numbers and also had solo numbers.

Mrs. Myrtle Savage, Miss Josie Mann, and the Albert Smith family were supper guests at the Harvey Mann home in Waukegan Saturday.

Wildor Smith and sisters Cora and May of Hebron, Ill., were callers at the Savage home Saturday.

Baptismal services were given at the church service Sunday for Dawn Melanie, infant daughter of Mr. and Mrs. Clifford Laurson of Antioch. Mr. and Mrs. Donald Hills of Antioch were sponsors.

Mr. and Mrs. Carl Crissy of Beach were callers at the Edward Hoffman home Wednesday afternoon.

Rev. and Mrs. L. H. Messersmith were dinner guests at the Gordon Bonner home Sunday.

Mr. and Mrs. Clifford Weber, Mrs. Edna Jones, Norma Welch and Chloe Dietrich heard "The Messiah" presented by the choir of the National College of Education in Evanston Sunday afternoon. Sharon Weber is a member of the choir.

Army Modernization Program Includes More Helicopters

WASHINGTON—The United States Army is due to have a new 3-D look by mid-1959 and the third dimension will be one of height.

In a modernization program designed to bolster the Army's aviation strength over the next 57 months, plans call for a six-fold increase in Army helicopter strength. In addition, greatly increased numbers of light utility aircraft will go into service for artillery spotting, reconnaissance, command and courier missions, column control, transportation of Army supplies and units, medical evacuation and aerial photography.

Experience in Korea and World War II already has resulted in establishment of a sizeable Army air service. Today, the Army operates 3,300 aircraft, with an additional 600 light planes assigned to the National Guard. These planes give the traditionally earth-bound troops vastly improved mobility, freeing both men and equipment from the limitations of muck, mountains, morasses, and roads.

Emphasis will be placed on a build-up of Army helicopter strength, which now stands at less than 200. Under the present setup, most of the 200 helicopters are assigned to six Army transportation companies (each with 21 cargo and two utility 'copters), with the remaining rotorcraft distributed among the Army's 17 divisions.

By mid-1951, the Army's helicopter strength should rise to about 1,200. Twelve cargo battalions (36 companies) will account for 758 cargo and 72 utility helicopters. In addition, 26 to 28 helicopters and 18 fixed-wing aircraft will be as-

signed to each of the Army's divisions.

Eye Uses Vitamin A To Help Us See

CHICAGO—What sort of adjusting mechanism allows us to see in near-darkness? Science says it's due to a substance called "visual purple" or "rhodopsin" which the eye manufactures from Vitamin A in the circulating blood stream.

We're temporarily blinded by approaching headlights because light bleaches out the visual purple, turns it yellow, and converts it back into Vitamin A, until the eye makes up a new supply.

The retina at the back of the human eye contains an amazing network of millions of nerve ends, some called "rods" and others "cones," because of their different shapes. The rods are spread over the entire surface of the retina, and respond without great detail to light of varying brightness and to form and movement. The cones are in the center only, and respond in finest detail to color, as well as to light, form, and movement. We see mainly with the cones in daylight, when the pupil opening is small, but the rods take over the principal job in dim light, when the pupil is wide open.

Red Tag Warns Cotton Handlers

MEMPHIS, Tenn.—"Watch this cotton bale—it could ruin you."

By flashing this warning to ginners, warehousemen, and cotton haulers, red "fire-bale" tags save the cotton industry countless thousands of dollars.

The National Cotton Council, in cooperation with various state ginner associations, distributes the red tags to all ginners in the Cotton Belt.

A "fire-bale" is one which harbors smoldering lint ignited by a spark during the ginning process. The tightly packed lint will sometimes smolder for days before bursting into flame to ignite neighboring bales in a warehouse or railway boxcar and cause disaster.

Red fire tags enable the ginner to label those suspected bales and set them aside—well away from all other cotton—for a period of 72 hours or more until all danger is passed. The recommended procedure calls for tagging the bale preceding the suspected bale and also the one that follows. After 72 hours these two are released into regular market channels and the suspected bale held as long as the ginner thinks necessary.

The place to take the true measure of a man is not in the darkest place or in the amen corner, but by his own fireside. There he lays aside his mask, and you may learn whether he is a hero or a humbug.

care not what the world says of him: whether it crown him or pelt him with bad eggs. I care not what his reputation or religion may be; if his babies dread his home-coming and his wife swallows her heart

every time she has to ask him for a five-dollar bill, he is a fraud of the first water, even tho he prays night and morning until he is black in the face and howls "Hallelujah!" until he shakes the eternal hills.

TAKE A FREE BUS RIDE FRIDAY

110 - 112 So. Genesee St.

next to Blumberg's

Waukegan, Ill.

THIS pedal does more than just feed gas to an eager and high-powered V8 engine.

When you give it the extra nudge that moves it beyond the full throttle position, something happens that never happened before in an automobile.

You hear a businesslike purr, which tells you that twenty power vanes, deep inside the 1955 Dynaflo Drive,* have changed their pitch—just like the variable pitch propellers on a modern air liner.

And with the same result in the way you get-up-and-go, with a safety-surge of power for pulling out of a tight spot on the highway. Words just can't describe it. It's a new and

thrilling sensation—something you simply must try for yourself.

There's nothing like it on the 1955 new-car horizon.

Fact is, there's a whole of a lot to see at your Buick dealer's showroom.

There's fresh new styling. There's higher horsepower in every Buick V8 engine. There's a new Airpower carburetor. And beneath it

all there's good old-fashioned integrity in every nut, bolt and rivet.

But, this year, don't simply make a visit to the showroom where these trim and thrilling new beauties are on display.

The smart thing to do—if you want to know what's what in new automobiles—is to get behind the wheel of a 1955 Buick and drive it. How about doing that soon?

Buick Power Hits New Peaks!

SOCIETY EVENTS

Women of the Moose Have Busy Schedule

The Antioch Chapter of the Women of the Moose, No. 735, initiated Mrs. Stanley Peterson, sponsored by Mrs. L. Nelson, at the meeting last Thursday, Dec. 2, at the Antioch Moose lodge. Mrs. A. Bertolini, chairman of the Social Service committee, introduced her guest speaker, Mr. E. Kris, of the Social Security Board, who explained the requirements for eligibility of benefits afforded by the Social Security law.

Three hundred or more children are expected at the annual Christmas party at the Moose lodge on Sunday, Dec. 19. Of course, Santa Claus will be there with his sack of gifts to pass out to the children.

The Mid-winter Conference of the Women of the Moose will be in Waukegan at the end of January and Woodstock chapter has been chosen Conference leader.

The annual Home Christmas Decorating contest, sponsored by both the Men and Women of the Moose, will be getting under way shortly. The closing date and details of the contest will probably be announced in the next issue of the News.

Senior Regent Mrs. F. Kennedy, Jr., asked the chapter not to forget their exchange gifts for the Christmas party at the next meeting, Thursday, December 16.

The Women of the Moose are serving barbecued ribs to all of the Moose bartenders on Tuesday, Dec. 14.

Refreshments were served by the Social Service chairman, Mrs. A. Bertolini and her committee, Mesdames K. Avery, G. Brown, A. Burdette, N. Harrell, B. Osborn, R. Rendall, L. Nelson, E. Richards and T. Gunn.

Legion Auxiliary to Have Christmas Party Friday

Business will be curtailed at the meeting of the American Legion Auxiliary tomorrow evening so that members can enjoy a Christmas party.

Each member attending will bring a gift and the distribution is expected to create a lot of fun. Mrs. Barney Nevelier is chairman of the serving committee.

American Legion and Auxiliary Plan Party

The Antioch American Legion members, their wives and children, Auxiliary members and their families will gather at the American Legion Home at 7 p. m. Thursday, Dec. 16 for a Christmas party. There will be treats for the children and refreshments for adults.

SUNDAY EVENING CLUB TO DECORATE TREES

Sunday Evening Club of the Methodist Church will meet at 8 p. m. at the church on Sunday to decorate Christmas trees for the holiday season. Mr. and Mrs. Edward Jahneke will serve as hosts. Mrs. Warren Polley will lead devotions and Mrs. M. C. Cain will play the piano for the singing of Christmas songs.

SENIORS PLAN ANNUAL CHRISTMAS FORMAL DANCE

The annual Christmas formal dance is being planned by the senior class of Antioch Township High School. The dance will take place Dec. 23 from 8:30 until 11:30 p. m. in the high school gymnasium. Frank Laurie and his orchestra featuring a soloist will play for the occasion. The public is invited to attend. An admission fee is charged.

STATE OFFICERS TO VISIT ANTIOCH ORDER OF RAINBOW

An official visit of Mrs. Mary S. Abt of Belleville, Ill., supreme inspector of the Order of Rainbow for Girls, and Jacquie Mydlach, Chicago, grand worthy advisor of the State of Illinois, will be made at the Antioch assembly No. 23, Order of Rainbow for Girls at 7:30 p. m. Monday. All Master Masons and members of the Order of Eastern Star and Rainbow Girls are invited to attend.

ANTIOCH BUS & PROF. CLUB HOLDS CHRISTMAS PARTY

The Antioch Business and Professional Women's club held its annual Christmas meeting and dinner party at Smart's Country House Monday evening. Dinner was served at 6:30 followed by a program of music including several numbers sung by the Antioch Community chorus, directed by Louis Chenette, director of music at the Antioch Township High School. Santa Claus came in later distributing gifts to everyone. The next meeting will be held Jan. 3, at the Scout Home.

Mrs. Arthur Trieger and her sister, Mrs. Richard Kennedy of Brookfield accompanied Mrs. Trieger's son, Ralph, to Anchorage, Alaska, leaving here Saturday. Ralph had spent the past three weeks visiting his parents in Antioch.

R. N. A. TO HOLD ANNUAL CHRISTMAS PARTY

Olsen Camp No. 459 Royal Neighbors of America will hold its annual Christmas party Tuesday evening, Dec. 16 at St. Ignatius Parish hall. There will be an exchange of gifts and pot luck dinner will be served.

Engagement Announced

MISS NANCY LEE VANC

The engagement of Miss Nancy Lee Vanc to Robert L. Scott, son of Mr. and Mrs. Fred Scott of Antioch, is announced by her parents, Mr. and Mrs. Frank J. Vanc of LaCrosse, Wis.

Christmas Atmosphere Prevails at the Antioch Woman's Club Meeting

The Christmas atmosphere prevailed at the December meeting of the Antioch Woman's club at the Scout House Monday.

Ted Larson, president of the Antioch Lions club, presented information on the possibility of a public swimming pool for Antioch.

The program, "Christmas All Through the House," was given by Mrs. Roscoe Smith of Hampshire, Ill. Many clever and original table and tree decorations were designed by Mrs. Smith and her assistant, Mrs. Peplow.

Tea was served from a gala holiday table by a committee comprising Mesdames Charles Solar, chairman, Edmund Vos, Donald Stowe, Robert Wright, Frank Powles, Maurice Radke, O. I. Onstad, and Clarence Gibbons.

TO HEAD REBEKAHS

Mrs. Hortense Gordon was elected to the office of Noble Grand at a recent meeting of Lakeside Rebekah Lodge. Other officers elected were Bernice Clark, vice grand; Clare Horton, recording secretary; Maude Johnson, treasurer; and Mary Ellis, financial secretary. A Christmas party and gift exchange has been planned for the next meeting which will be held Dec. 15.

Roberta Jach, daughter of Mr. and Mrs. Fred W. Jach, (R. R. 2), will be arriving home from Milwaukee Downer College for the Christmas vacation, Dec. 13 to Jan. 3.

Mrs. Vileta Walsh came home from St. Therese hospital Thursday and is convalescing at the home of her parents, Mr. and Mrs. Walter Baethke.

Mr. and Mrs. Elmer Christopherson and Mrs. Wanda Otfedahl attended funeral services for Mrs. Elston of Chicago Wednesday.

Polley to Preside at National B. T. A. Meeting

Warren Polley, teacher of business courses at the Antioch High school will take a prominent part in the National Business Teachers Association convention at Chicago Dec. 28, 29, 30.

The theme of the convention is "Providing for Individual Differences," and the Palmer House is the place of meeting.

Polley is chairman of the secondary division of the national association, and is secretary of the Chicago Area Business Education Association which is co-host of the convention with the Chicago Business Teachers association.

He is chairman on information, and will also serve as chairman of the Secondary Schools department meeting from 2 to 4 p. m., Wednesday, Dec. 29.

Also attending the meeting will be Miss Eileen Schutte of the high school staff.

Student Council Plans Christmas Decorations Program for Dec. 22

As the Christmas holidays approach the Student Council of Antioch Township High School is very busy trying to portray the spirit of Christmas. At their regular meeting Tuesday morning, they set up various committees to begin the preparations. They are as follows:

Christmas Trees—Edward Ring, Russell Gilday, Robert Terry.

Christmas Tree Decorations—Garret Seyfarth, Mitzi Wolf, Marcia Hogan.

Program Committee—Nancy Rentner, David Cain, Carol Cervenka.

Hallway and Cafeteria Decorations—Joan Forbrich, Joanne Haydon, Joan Mair, Sheryl Mair.

Treats Committee—Edward Ring, Fred Clarke, Robert Cain, Marcia Hogan, Phyllis Petersen, Garret Seyfarth.

Other council members will help with decorations where needed. Teachers are asked to decorate in their classrooms.

The council is working in cooperation with the music department in the preparation of a very fine program to be presented on Wednesday afternoon, Dec. 22, before the student body. Visitors are welcome.

Christmas treats will be distributed by Santa Claus for the Council to all students, faculty members and other personnel.

During the next three weeks the Council is selling an assortment of 14 kinds of Christmas cards. They may be purchased from any Council member or at school in the hall before and after schools and in the cafeteria during the lunch hours. The proceeds from the cards will be used to finance professional assemblies and other activities for the student body as well as to help pay for the new pop-corn machine purchased this year.

Freshmen Have Prospect Of Outstanding Team; Beat Zion-Benton 40-22

Antioch High school has a good freshman basketball team as the coach Paul Kessenich will not hesitate to tell you.

Although the boys didn't show up so well against the North Chicago team which defeated them there last Saturday night, 53 to 27, it was the first game for Antioch and the sixth for North Chicago.

On Monday night the Papposes entered the victory column by defeating Zion-Benton 40 to 22. Terry Horton was high point man for Antioch with 16 points; Bob Poulsen was second high with 8 points and Wayne Herbst third with six points.

The freshmen will play at Waukegan next Monday night. The Antioch boys are tall for youngsters and should be playing outstanding ball before the winter is over.

McHenry Male Nurse To Open Convalescent Home on Lake Street

The village board Tuesday evening voted "no objection" to a request for permission from Mason Manchester of McHenry to establish a convalescent home in the Joe Sheehan property at 514 Lake st.

Manchester, a clean cut young man, who said he is a graduate nurse and has been employed in the Edgewater hospital at Chicago, says he is starting on his new venture with plans at first to take care of four patients. If he is successful in the work he will enlarge the home. He has leased the property with an option to buy.

The board told Manchester that in view of the fact that Antioch has no zoning laws it had no power to prevent him opening the home so long as he was licensed by the state which calls for strict fire protection.

Antioch has no convalescent home although all towns around have.

Smart's Country House Sweeps Bowling Series From Miller High Life

The local bowling fans were treated to some outstanding bowling this past weekend when the Miller High Life team of Waukegan bowled a home and home series of match games with Smart's Country House of Antioch, with the latter sweeping the series. In the first match at the Antioch Recreation Saturday evening, the Antioch boys rolled a series of 3067, on games of 1069, 1039, and 959, with C. Neuman hitting 668, Bill Keulman 610, and Geo. Grange a big 680. G. Jobey was high for Miller High Life with a series of 635.

On Sunday evening at O'Farrell's they bowled the return match, with Smart's quintet hitting 2819 against 2714 for Miller's. A 619 series was bowled by Bill Keulman in this match, while 588 by D. Vickers was high for the losers.

Packard Car Averages 107.4 Miles an Hour On 25,000 Mile Test

A Packard four-door sedan powered by a pre-production 1955 model V-8 engine completed a 25,000-mile endurance run that is said to eclipse any stock car performance now on record.

The car averaged 107.4 miles an hour for the total distance on the Packard proving ground at Utica, Mich.

The 1955 Packards will all be powered by V-8 engines. Amiel Feyerabend, Studebaker dealer, has been informed, Packard and Studebaker recently were consolidated as one firm.

Operations "Sky Blue" Tests Scouts
This newspaper received notice that a special program for Explorer Scouts of the Northwest District will be conducted Saturday. The field of readiness of the young men to meet emergencies as they set up facilities to accommodate the "evacuees" of an simulated bombed area. John MacGuffin, Libertyville, is chairman of a special committee working to prepare Explorers for assistance in Civil Defense. The project will last from dawn to dusk Saturday. The place was not stated but it is presumed to be in the Libertyville area with 8 units participating.

Opens New Men's Store

Lovinger's new branch clothing store for men opened today at 2885 Sheridan rd. in Zion.

The newest type of fixtures in blonde oak, with self service wall cases in the furnishing department for easy customer shopping, new California open displays for the clothing department for easy selection.

This beautiful new building, completely air conditioned for summer comfort, in breath-taking blending of daring colors, display spots of newest lighting fixtures designed to emphasize the true beauty of every

fabric. The unusual staircase with the use of redwood and wrought iron plays a prominent part in producing the intimate atmosphere. These plus many more new exciting ideas make this store a show place in the middlewest, one that everyone in Zion can be proud of. Grand opening days Thursday, Friday and Saturday, Dec. 9, 10 and 11.

In charge of the Zion store will be Sheldon Lovinger, son of William Lovinger manager of the Waukegan store.

Parents of a Son
Mr. and Mrs. "Bud" Biller of Draper, Wis., are the parents of a baby boy born Dec. 9 at Park Falls hospital. "Bud" is a former employee of the Antioch News, and is a brother of Mrs. George Ross and Mrs. Jack Vos. The baby has been named Norman Edward.

The village bought a dump truck for the street department from Olsen Implement Co. for \$1,831.80 giving the old truck in on trade.

UN Report Says Folks Around World Are Living Better

WASHINGTON—An insight into the comparative living standards of the United States and certain other countries for which statistics are available, and changes that have occurred since the late Thirties, are given in a special study made by the United Nations statistical organization.

In addition to the United States, the countries covered are the United Kingdom, Canada, Sweden, Norway, West Germany, Ireland and Japan. Belgian figures are given only for the post-World War II period. The study is based on the personal consumption expenditures for each country in their respective currencies, and gives a breakdown of outlays for food, shelter, clothing and a selected list of other goods and services. In most cases, the year 1938 is the pre-World War II base, while the latest figures are for 1952.

The study shows certain common tendencies in the personal expenditure pattern in all countries over the last decade and a half. For example, the proportion of total consumption outlays going for food in most countries has risen in the period. Part of this is due to higher prices, but the figures also suggest that people are eating better than before in other countries as well as in the United States.

Another common trend has been a decided decline in the proportion of personal expenditures on shelter, which includes the cost of fuel and light, furniture and household operation as well as rent.

1960: More Pay For Less Work

NOTRE DAME, Ind.—By 1960, Americans will be earning 40 per cent more and buying 40 per cent more but working about five hours less each week, according to a prediction made here by a former presidential advisor teaching at Notre Dame.

Dr. Robert C. Turner, visiting professor in the University's College of Commerce, forecast that within 15 years the United States will have a total national output "in excess of 600 billion dollars" as compared with 365 billions in 1953.

A former member of President Truman's Council of Economic Advisors, Dr. Turner said that America's population will be nearing the 200 million mark by 1970. Although

the size of the labor force will grow, hours worked per week will probably decline to about 35, compared with just under 40 today, he said. Turner forecast a level of consumption 40 per cent higher than today, assuming that defense expenditures remain at the same absolute level as now and that other government expenditures and business investment expenditures maintain the same relative level as at present.

Heart Disease, Cancer Second to Accidents

NEW YORK—Only heart disease and cancer cause more deaths than accidents among American men at the principal working ages of 15 through 64. At ages 15 through 39 more men die through accidental injuries than from any other cause.

More than 40,000 accident fatalities each year occur among men under 65.

A leading life insurance company says nearly half of the accidental deaths among policyholders are the aftermath of motor vehicle mishaps. Falls, ranking second as a cause of fatal accidents among the insured men, accounted for one-ninth of the fatalities, and drownings for nearly as great a loss of life as falls.

Altogether, the three leading causes—motor vehicles, falls and drownings—were responsible for about seven out of every ten accidental deaths in this insured group.

Saws Smuggled In During Open House

SPRINGFIELD, Ohio — When Open House was held at Clark County Jail recently it seemed everybody wanted to get in—or out—of the act. When guests had departed deputies found three cell bars partially sawed and uncovered a nest of hacksaw blades and crude weapons.

Some 1,000 residents toured the jail as part of a campaign to push a \$495,000 bond issue for a new jail. Deputies decided to shake down the inmates to make sure nothing had been smuggled in.

Extended Honeymoon

KEY WEST, Fla. — Keith and Joan McDonald, who started a honeymoon trip in March, 1952, from New Zealand by motorcycle, arrived here recently on a ferry from Cuba.

They say they have covered 55,000 miles in 40 countries on six continents. They planned to continue to Miami, thence to New York, Montreal, Alaska and then back to New Zealand.

Auxiliary News

Work at Downey

Five members of Antioch Unit worked all day Monday, Dec. 5, sewing name tags on clothing for the Veterans at Downey. These articles of clothing consisting of sweaters, caps, mittens, jackets, etc., are purchased as Christmas gifts for the patients with the funds donated to the "Gifts for Yanks."

Dec. 13 the Gift Shop will be set up at Downey. This is a shop where veterans may choose the gifts they want to send to their families for Christmas. On Dec. 14 and 15 Auxiliary Unit members will help wrap these gifts ready for mailing. Antioch members who helped last Monday were Carolyn Horan, Pearl Anderson, Mary Ellis, Dorothy Horan and Addie Horton.

Candy Bars Given by Schools
Children from Antioch Grade School, St. Peter's Parochial school and Emmons school answered the appeal for candy bars for Downey very generously. The rehabilitation chairman, Mary Ellis reports having received nearly 700 bars, gum and cookies. Antioch Unit is very appreciative for the generous response and extends thanks to the pupils and parents for their donations.

Mrs. Ellis also took 800 magazines,

several jigsaw puzzles and some hearing aids to the hospital.

Jigsaw Puzzles Asked

Supervisors at Downey are asking for jigsaw puzzles. The patients enjoy working them and it helps to pass the time for them. Anyone having jigsaw puzzles to give to this cause please take them to Mary Ellis, 639 N. Main or call 318-W and she will pick them up.

Eye glass frames, either gold or silver (no plastic) are still needed, any old jewelry or anything with gold in it is accepted also. Mrs. Ellis has had good response on her appeal for eye glass frames, but much more is needed.

Christmas Party

Next meeting of Antioch Unit Dec. 10 will be held in the Legion Home. This will be a Christmas party with gift exchange. Mrs. Jennie Neveler is in charge of the program and refreshments and has planned Christmas carol singing and games.

Each member attending will bring a gift for exchange and a pleasant evening is assured everyone. The hymn to be sung for December is "How Bright Appears the Morning Star." Each Auxiliary Unit is also asked to learn the song, made popular during the first World War, "Along Came Ruth." A parody has been written to the tune for the Department president, Mrs. Ruth McMeekin.

Sky's No Limit Where Bird Flight Concerned

WASHINGTON—How high can a bird fly? When Sid Edmund Hillary and Tensing Norkey were nearing the top of Mount Everest last year, they were astonished to see a bird flying at the 27,000 foot level.

But that particular avian high flier failed by some 2,000 feet of beating what is generally regarded as the world altitude record for birds.

Scientists photographing the sun over India once sighted a flock of geese at 29,000 feet, the approximate height of Mount Everest. In migration across the lofty Himalayas, these geese set the record.

Ornithologists for several reasons do not stress altitude records of birds. They point out that the birds themselves do not strive for marks, flying high only to clear obstacles or storms, or to find tastier insects. The record-holding geese probably could have gone higher had they wished.

Did Somebody Bad Steal Church Wedding Bells?

SAN FRANCISCO—Who's stolen the wedding bells? This was the puzzling question for a time when the wedding chimes disappeared from the Church of the Immaculate Conception.

When the bells were missed the Rev. Victor Brazzanella notified police and a search was started.

The priest himself solved the mystery. He said he was informed that his own parishioners had the chimes taken out for repairs and had forgotten to tell him.

Motherly Love

AUSTIN, Tex.—Blackie, a big mother cat owned by Mr. and Mrs. Owen Schnell, is a generous and kindly animal.

In addition to two kittens of her own, Blackie fed a pup and five skunks.

Schnell found the skunks, apparently abandoned by their mother. The pup just wandered in and joined the mess line.

New Strength

HONOLULU—U. S. Navy forces at Hawaii recently received powerful airborne eyes for their watchdog job guarding billions of square miles of Pacific Ocean—the first WV-2 radar-equipped, early warning airplane was put into use, after ceremonies at Pearl Harbor.

WILMOT

Mr. and Mrs. Ervin Rasch and family and R. J. Austin spent Sunday with Mr. and Mrs. Ross Cramer, Madison.

Mrs. Ben Elverman and family were Sunday evening guests of Mr. and Mrs. Edward Tichy, Barrington, in honor of Joanne Tichy's birthday.

Mr. and Mrs. Frank Jahns, Twin Lakes, Mr. and Mrs. Albert Elverman, Burlington, Mr. and Mrs. Chester Paasch and Geraldine, Lake Villa, and Mrs. Ben Elverman spent Sunday afternoon with Mr. and Mrs. Gust Neuman.

Mrs. Matt Thom, Paul and Michael spent Sunday afternoon with Mr. and Mrs. Raymond Thums, Brighton.

Mr. and Mrs. Ernest Otto, Waukegan, spent Thursday with Mr. and Mrs. Herman Frank.

An Automatic GAS Clothes Dryer ... Here's the work-saver every woman wants, helps save clothes dollars for all.

The wonderful New GAS Incinerator ... So absolutely sanitary, and no one has to make those outdoor treks in unpleasant weather.

Easy monthly terms arranged to suit your budget! See these exciting GAS appliances at your Dealer's or our nearest store.

LAKE VILLA

Circle No. 1 of Woman's Society of Christian Service will hold its annual Christmas party at the church on Wednesday afternoon, Dec. 15, and Mrs. Ruth Haley and Mrs. Edna Nader will be hostesses for the day. There will be a short program and gifts for children of Lake Bluff orphanage brought, toys or clothing or food for their kitchen. All are very welcome.

Circle No. 2 of W. S. C. S. met at the church on Monday evening and Mrs. Bernard Knipple conducted the devotional period. Mrs. William Green and Mrs. William Apostolice were hostesses.

Mrs. George Sebela is still at the Mayo clinic for treatment.

The Lake Villa Fire Department has put up some very attractive street decorations for the holidays. Thank you.

The Royal Neighbors held a very enjoyable meeting at the village hall last Tuesday evening and several camps were represented. Deputy Supervisor Gladys Ames was honored guest. Gifts were presented to the various officers filling stations, and refreshments were served after a short musical program. The next meeting will be on Tuesday evening, Dec. 14, with pot luck supper at 6:30 followed by the meeting which will also be the annual election of officers. This is important and every member should be present. This is also the Christmas party with exchange of gifts.

Mr. and Mrs. S. Swonkicz of Aurora were recent guests of Mr. and Mrs. Frank Emerson at their home, and on last Sunday Mr. Emerson celebrated his birthday by visiting relatives in Des Plaines, the Wittbold family.

Allan Hamlin, with a group of Lake County boys left Monday for training in the U. S. army. He has been an employee of the Dalgard grocery and market, both at Lake Villa and Antioch and he and the other employees had dinner together at Smart's at Antioch last Friday night when they presented him with a pen and pencil set for his use.

Harry Olsen who is associated with the Natural Gas Co. of Texas, surprised his sister, Mrs. Ben Cribb last week when he came in for a few days' visit after a business trip.

Mrs. Joe Nader, Sr., was hostess for the Pinochle club which met at

her home on Tuesday afternoon last week for pot luck dinner, followed by games of pinochle during the afternoon.

Sharon Langbein was a patient at Victory Memorial hospital for tonsilectomy early last week and is able to be back in school.

Mrs. Paul Avery, Sr., entertained a few ladies at a luncheon and cards at her home last Thursday afternoon.

Mrs. Lulu Nelson visited relatives near Solon Mills a few days last week.

Mrs. Fred Popp was taken to a Chicago hospital last Wednesday for observation and treatment.

The public dance sponsored by the recently formed V. F. W. in Lake Villa last Saturday evening was much enjoyed by the good number of people who attended.

Mrs. Vern Blust, Mrs. Marie Hamlin and Mrs. John Perry attended the presentation of the "Messiah" at the Grayslake High school last Sunday evening.

Mr. and Mrs. Edward Tiede have returned from a very pleasant vacation trip to California where they visited relatives. They went by train.

The exciting new idea behind the motoramic Chevrolet

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Maybe once in a car-buying lifetime, you come across something that breaks all the old patterns and establishes new ones. This is that kind of car. This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Like most good ideas, this one is pretty simple. But it wasn't an easy one to carry out. For Chevrolet and General Motors set out with the idea of building the first low-priced car that would do all these things:

- bring you the very freshest and finest styling to be had.
- bring you the most advanced engine design and engineering features.
- bring you the kind of performance and the kind of ride that have never been available before in a low-priced car.
- bring you the highest quality of manufacture and materials.

All this in Chevrolet's price field? That did take some doing! And isn't it logical that only Chevrolet and General Motors have the people, the skills, the resources and facilities, to carry out this exciting new concept? Here is how this new Chevrolet changes all your own ideas about cars!

Real Show-Car Styling!

Your eye tells you the Motoramic Chevrolet is no styling "patch-up" job. A rakish, low profile... soft swiftness from its sleek rear fenders to its wide-eyed Sweep-Sight windshield... a new outlook for motoring. And that outlook doesn't change when you slip inside... there's more room for hats and hips... exciting fabrics and trim harmonized with the whole car... as carefully as a bride matches carpet to curtains.

A Sensational Ride!

You live the new idea instantly... you glide... actually glide because spherical joints "roll with the punch" of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear springs mean new balance in turns... turns made so effortless by new ball-race steering.

And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front... you get more level stopping. Tubeless tires mean much greater protection against blowouts. And with new high-level ventilation there's fresher air.

8

6

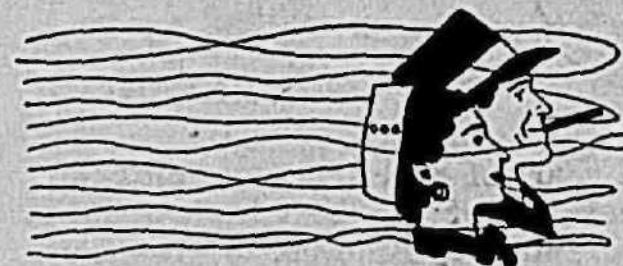

Power Beyond Compare!

You also feel the new idea quickly... quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might

desire. You have a transmission choice of economical Overdrive and improved, automatic Powerglide (optional at extra cost) or standard shift.

Even Air Conditioning!

And if you desire the convenience of power assists (optional at extra cost)... you'll find new power-steering and improved power brakes on all models. Power-controlled windows and

powershift seat are available on the Bel Air and "Two-Ten" models, while air conditioning may be added on V8 models.

Won't You Try It?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you! Come in for a demonstration drive, won't you, first chance you get.

MORE THAN A NEW CAR, A NEW
CONCEPT OF LOW-COST MOTORING

Everything's new in the
motoramic

5 reasons why
it pays to buy a
'55 FORD now!

HERE'S THE BIG ①

You can be the first in your neighborhood with the fine car of its field!

It's always a thrill to be first in your neighborhood to have the car that everybody wants to see. That's one of the big reasons why it will be a good move to buy a new '55 Ford NOW. Styled to mirror the beauty of the Thunderbird—

Ford's distinguished personal car that has won the nation's warmest praise—the totally new '55 Ford is getting more attention than any other car today. And it's well-deserved attention, too. For Ford is truly the fine car of its field for '55!

② **YOU CAN ENJOY MORE PLEASANT AND SAFER DRIVING ALL WINTER LONG**—Drive a new '55 Ford that's built to take you through the rough winter driving more safely, more pleasantly.

④ **YOU CAN HAVE A WONDERFUL NEW FORD IN TIME FOR CHRISTMAS**—Can you think of a finer Christmas present for the whole family than a sparkling new '55 Ford?

③ **YOU CAN HAVE A V-8 NOW... AND IN THE LOW-PRICE FIELD**—There's the mighty 162-h.p. V-8 block V-8. And the 182-h.p. V-8 block Special V-8—offered with Fordomatic in Fairlane and Station Wagon models. And they're both available NOW!

⑤ **YOUR PRESENT CAR WILL NEVER BE WORTH MORE IN TRADE**—It's good sound business judgment to buy a new '55 Ford NOW. For your present car is going down in value every day. Make a better trade NOW!

Test Drive the new **FORD V-8 Now!**

points each while for Grant Madden scored 13 points.

Bill Barnstable and Lonnie Christensen executed some good floor play in the first half against Grant's pressing defense. Coach Polley noted. In this game as well as in the game with Grayslake Friday night all of the 14 boys saw action.

The Jayvees on Friday defeated the Grayslake Frosh-Sophs 53 to 30. Huml and Ed Hastie scored 10 points and Harry Evans 11.

Antioch Beats Grayslake

The Varsity on Friday night won easily over the Grayslake Rams 68 to 37. Haviland with 17 points and Ben Floyd with 14 points were high scorers for Antioch.

In Tuesday night's games Wauconda beat Grayslake 70 to 54, and Elia-Vernon remained undefeated by nosing out Glenbrook 59 to 53.

Cermak's Team Wins

Charles J. Cermak, Jr., is elated over the fact that his bowling team beat the team of his brother-in-law, Francis Schmidt of Johnsburg at the Antioch Recreation Sunday by 17 pins. On his team were Joseph Kloppe, Ted Ozga, Hank Wisocki, and Johnny Russo. The Cermak team will play a return match at Johnsburg soon.

County Drive Brings \$4,723.08

Money received in Lake county during the National Retarded Children's Week drive totaled \$4,723.08. Mrs. Helen Altman, publicity chairman, announced. General appreciation was expressed to the school organization and the business men for their participation.

Mr. and Mrs. Jay King of Wisconsin Dells, recently moved to Antioch and are living at 907 North Main street.

Attend School

On Nov. 30, seven members of Antioch Unit, American Legion Auxiliary attended a school of instruction held at Gurnee. Those attending were Dorothy Horan, Mary Ellis, Myra Randall, Carolyn Horan, Louise Erickson, Lucy Himmens, and Addie Horton.

T.V. Set Given Wigwam

A new 21-inch Zenith console television set has been donated by Blumberg's of Waukegan and Zion to the Antioch Youth Center. The set is on display in the window of Reeves drug store beneath the Center where it will be installed.

Card of Thanks

I want to extend my sincere thanks to all those who so kindly sent such nice cards, letters and gifts to me while I was in the hospital and since I have been home.

Mrs. Vileta Walsh

Every woman I have ever met is a puzzle to me, as I have no doubt she is to herself.

Good work makes beautiful things and good work lasts.

Make no mistake — when you want the best in knitwear, choose sweaters by Jersild. Best in style, tailoring and fit they make you feel like a million just knowing you're dressed right for the occasion — especially when it's a smartly styled authentic jacquard knit in 100% pure wool, as illustrated. We have it and others in pull-over and cardigan styles in a choice of color combinations you'll surely want.

COUNTY ZONING NOTICE

STATE OF ILLINOIS) ss.

COUNTY OF LAKE)

TO WHOM IT MAY CONCERN:

PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on December 29, 1954, at the hour of 1:30 P. M., in the Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to re-

classify by amendment thereto, from the R-4 Residential District, to the B-2 Business District, the following described real estate, to-wit:

Lots 132, 133, 134, 135 and 136 in Volk Bros. Mid-Lakes Unit No. 2, being a subdivision of part of the Northeast quarter of the North East quarter of Section 14, and part of the South East quarter of the South East quarter of Section 11, Twp. 48 N., R. 9, East of the 3rd P. M., according to the plat thereof recorded October 31, 1927, in Book "S" of Plais, pages 26 and 27, as Doc. 307893, in Lake County, Illinois.

As a result of the petition of FRED DOMBROWSKI AND ELIZABETH DOMBROWSKI, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

LAKE COUNTY ZONING BOARD

OF APPEALS

Earl H. Kane, Chairman

Dated at Waukegan, Illinois, this 9th day of December, 1954.

(Dec. 9, 1954)

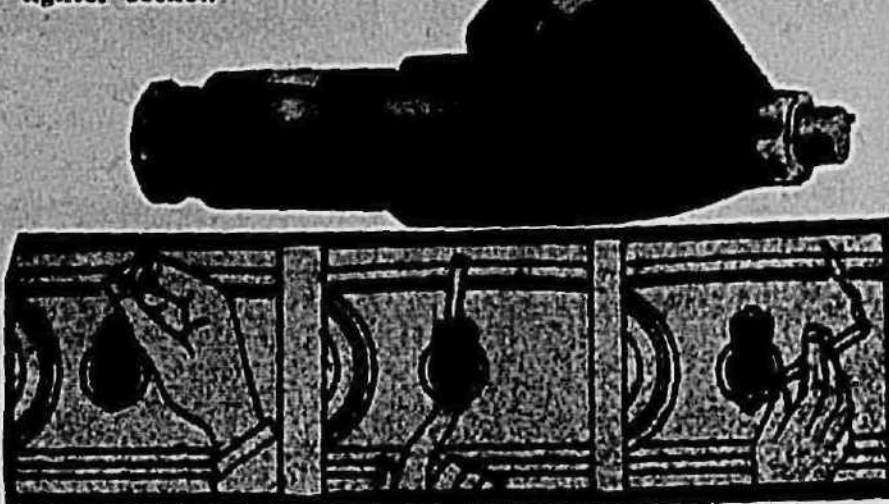

Nothing seems so tragic to one who is old as the death of one who is young, and this alone proves that life is a good thing.

Is There a Sure Way to Save Money on Food? A&P Says "Yes!" Come See...

COMPARE and CHECK YOUR SAVINGS!

Of course a few occasional low prices save you a little money. But in the long run they don't make much difference in your total food bill. It takes many regular low prices to do that. And A&P has what it takes... scores of money-saving prices in every department every day. What proof? Compare the typically low A&P prices in this ad with the prices you've been paying. Add up the savings they represent and see how they can cut your total food bill. Once you've made this convincing comparison, we believe you'll agree that the sure way to save money on your food bill is to come see... come save at A&P.
